AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

1. Introduction

Organizations consulted on the development of the Annual Action Plan included key partners in homeless prevention and reduction efforts, highlighting the key issue affecting Los Angeles.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

Vision Plan and Strategic Partner Engagement

HACLA's twenty-five year Vision Plan, aligns with the City of Los Angeles' Consolidated Plan. Through HACLA's People Plan section, the largest section of its Vision Plan, there are specific goals outlined for digital equity and inclusion that are the cornerstone to academic achievement, health and wellness, workforce development and resident leadership development.

HACLA implements a two-generation approach to the provision of services. The Two Generation approach was coined by the Brookings Institution and focuses on the needs of both generations to interrupt the cycle of poverty to address the needs of parents and children to improve outcomes for the whole child. This approach is applied to recreational services offered at the gyms to the services in the social halls and community spaces across HACLA's portfolio.

HACLA hosts quarterly Regional Hub meetings to plan events and programs in partnership with resident-leaders, residents and stakeholders to ensure common ground on implementation while also adhering to the resident-led feedback provided in its Vision Plan as a guiding document for the implementation of services across HACLA's entire portfolio. The "Regional Hubs" are grouped by region: South LA/Watts: (Jordan Downs, Imperial Courts, Nickerson Gardens, Avalon Gardens and Gonzaque Village), Boyle Heights/East Los Angeles: (Ramona Gardens, William Mead, Estrada Courts, and Pico/Las Casitas), Westside: (Mar Vista Gardens), San Fernando (San Fernando Gardens, and Central: (Pueblo del Rio). Rancho San Pedro is a redevelopment site and has its own collaborative partnership group.

The quarterly Regional Hub Meetings allow for integrated planning and program delivery. Additionally, the cross collaboration amongst the collaboration is celebrated with an annual Strategic Partner Retreat to celebrate and acknowledge success.

Academic Achievement and Enrichment

Through HACLA's partnership with the Book Rich Environment, an annual donation of books is provided to youths in high school to enhance access to books and to encourage the love of reading. In previous years HACLA has received over 7500 books to distribute across its portfolio. In partnership with the LA

Public Library, resources are provided to supplement existing educational resources. This goal aligns with HACLA's decade-long participation in the Grade Level Reading Campaign which is a nationwide campaign to increase success on the third grade reading exam. This is a key indicator of collegiate success. The distribution targets HACLA's public housing residents, service providers, and also located at computer labs at each development.

Along the continuum, the Students+Opportunities+Access+Resources (SOAR) program which is implemented by the Southern California College Access Network (SoCAL CAN) at several HACLA sites will expand their reach to college bound youth at Jordan Downs. Metro Boys and Girls Club will continue to support Jordan Down residents through their college bound program with the intention to continue their group services in partnership with SoCAL CAN. The goal is to increase the number of scholarship recipients (80 in 2021) and also the amount awarded (\$120,000 in 2021) to both graduating seniors attending college and returning college students who are HACLA residents.

Digital Connectivity

Digital connectivity and inclusion efforts will expand in 2022-2023 with HACLA's portfolio beyond the Public Housing properties. Starry Internet will be wiring the new Watts/LA WorkSource Center as well as several of HACLA's Computer Lab facilities. The WorkSource Center and computer labs are a priority and are part of HACLA's Vision Plan Strategy to enhance resident access to internet and extended learning opportunities, tutorial support, college preparation, workforce readiness training, and STEM programs for both youth and adults.

The need for facility upgrades is imminent and overdue. HACLA owns and operates computer labs that are co-located on HACLA-owned property. Almost all of the computer labs are located in digital deserts where limited or no internet access exists in public spaces. Capital improvements for the existing Computer Labs will occur to convert existing computer labs into digital libraries where youth and adults can access technology resources to help facilitate online instruction, receive services that will enhance digital literacy and upgrade the spaces so that it is warm and exciting for partners to co-locate and offer innovative programming. This includes but is not limited to, upgrading the computers, printers and software in addition to offering "digital libraries" where residents can check out laptops for homework and receive digital literacy classes after hours. Through the support of the City of Los Angeles and Microsoft, this transformation will convert the computer labs into Digital Libraries. As a result, programming at each site will enhance academic achievement outcomes, college preparation and access to career opportunities. Furthermore, the Digital Ambassador program will increase the number of residents enrolled in the peer to peer outreach and engagement program. The Digital Ambassadors program offers digital literacy training to residents so they can provide assistance to their community on how to get connected to the Internet and access digital platforms. The need for the expansion of the Digital Ambassador Program as well as partnerships with STEM/STEAM- related nonprofits, university programs and businesses offer unique opportunities to address the digital divide.

Under the Section 8 umbrella of assistance, HACLA administers multiple housing assistance programs to provide affordable, permanent, supportive housing for chronically homeless individuals and families with high supportive needs. These clients who are not current consumers of on-going health and mental health services will be provided rental subsidies and supportive services through a collaborative effort with local service providers. These housing assistance programs include the Continuum of Care, Veteran Affairs

Supportive Housing (HUD-VASH), Waiting List Limited Preferences for Homeless, Waiting List Limited Preference Tenant Based Supportive Housing Program, Waiting List Limited Preference LAUSD, Project Based Voucher – Permanent Supportive Housing Program, Emergency Housing Voucher, Housing Opportunities for Persons with AIDS (HOPWA), and Moderate Rehabilitation. HACLA partnered with more than 20 agencies that provide supportive services to families, including but not limited to:

1. County of Los Angeles Department of Health Services-Housing for Health
2. Libertana Home Health of Sherman Oaks
3. Harbor Interfaith Services
4. County of Los Angeles Department of Health Services
5. County of Los Angeles Department of Mental Health
6. People Assisting the Homeless (PATH)
7. San Fernando Valley Community Mental Health Center
8. Homeless Health Care Los Angeles
9. LA Family Housing
10. Ascencia
11. Ocean Park Community Center
12. Los Angeles House of Ruth
13. Upward Bound House
14. Alliance for Housing and Healing
15. Watts Labor Community Action Committee
16. Step Up On Second Mental Health
17. Alexandria House
18. Special Service for Groups
19. Housing Works
20. Rainbow Services LTD
21. Catholic Charities of Los Angeles Inc DBA Good Shepherd Center for Homeless Women & Children
22. Vital Plus Home Health Care DBA Access TLC Home Health Care

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

In line with national and local priorities, the Los Angeles Continuum of Care (LA CoC) has prioritized three key goals: ending chronic homelessness; preventing and ending veteran homelessness; and preventing and ending homelessness for families, youth, and children. The Los Angeles Homeless Services Authority (LAHSA) requires all applicants for new LA CoC funding for Permanent Supportive Housing to allocate one hundred percent of their new and turnover units to people experiencing chronic homelessness (including Dedicated Plus eligibility). People experiencing chronic homelessness can be some of the highest users of public services, such as emergency medical care, psychiatric treatment, shelters, and law enforcement. Nationally, the federal department of Housing and Urban Development (HUD) documents that people experiencing chronic homelessness rose fifteen percent between 2019-2020 and make up twenty-seven percent of the homeless population yet consume more than fifty percent of these resources, thus strategically focusing on ending chronic homelessness is important for the preservation of resources. Individuals with chronic patterns of homelessness make up twenty-one percent of the national total and

in Los Angeles, thirty-six percent of the total locally, with a twenty-one percent increase in people experiencing chronic homelessness between 2007-2020 and a twenty-four percent increase between 2019-2020. By concentrating on people experiencing chronic homelessness, the LA CoC also serves the County's most vulnerable populations, including people with mental health and/or substance abuse issues, veterans, seniors, and former foster youth.

LAHSA also serves in the role of the LA CoC Collaborative Applicant, Emergency Solutions Grant (ESG) subrecipient, Coordinated Entry administrator, and the Homeless Management Information System (HMIS) lead for the LA CoC. LAHSA provides data to participating jurisdictions to include in their respective Annual Plans, including point-in-time count results, HMIS coverage, housing inventory and utilization, system performance measures and recommendations on performance standards. LAHSA has also taken a leadership role in the development of effective partnerships that leverage public and private funding sources, such as the Home for Good Funder's Collaborative and the county's Chief Executive Office for the Measure H proposition to coordinate resources to serve the many different sub-populations of individuals and families at-risk of or experiencing homelessness in Los Angeles. Together these components provide the necessary space to engage the community to address the needs of people experiencing homelessness.

Several initiatives are underway to increase CoC coordination and linkages between institutions and programs, including:

- Housing Central Command, which applies an incident command approach to solving systemic barriers prohibiting individuals and families experiencing chronic homelessness from access to supportive housing interventions.
- COVID-19 Recovery Plan Framework for People Experiencing Homelessness, which seeks to equitably house those individuals and families experiencing homelessness who are most vulnerable to the fatal effects of the COVID-19 coronavirus.
- Bridge housing models that link more robust supportive services and long-term housing.
- Enhanced linkages to mainstream resources throughout the homeless service system by identifying and removing barriers that people experience.
- Working with LA City and LA County partners to enhance diversion practices and identify opportunities to resolve housing crises within other systems of care/outside of the homeless service system.
- Enhanced linkages to support those exiting other systems of care, including re-entry from the criminal justice system, hospitals, and the child welfare system.
- Working with LA City and LA County partners to enhance diversion practices and identify opportunities to resolve housing crises within other systems of care/outside of the homeless service system.

- Enhanced linkages to support those exiting other systems of care, including re-entry from the criminal justice system, hospitals, and the child welfare system.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The Los Angeles Homeless Services Authority (LAHSA) consults with Emergency Solutions Grant (ESG) direct recipients in the Los Angeles Continuum of Care (LA CoC) – LA City and County, El Monte, and Pomona – to plan and allocate ESG funds. Staff work closely with recipients to identify gaps in services and strategize how ESG funds could fill those gaps.

As the LA CoC’s lead agency, LAHSA conducts quarterly community meetings in each of the eight regions named Service Planning Areas (SPA) to obtain input and feedback on the effectiveness of programs and the accomplishment of outcomes. Service providers, elected officials, and community members participate in the community meetings as focused, ongoing dialogues with the community to support the continuous quality improvement of the LA CoC system of care. Note: frequency and duration of these meetings have been temporarily altered due to the COVID-19 public health crisis and meetings are being held via teleconference.

As the LA CoC’s Homeless Management Information System (HMIS) administrator, LAHSA oversees the coordinated implementation of the countywide HMIS. The HMIS Collaborative, which includes the CoCs of LA, Glendale, and Pasadena, reviews the progress of implementation, identifies and resolves problems, updates policies and procedures, and reviews reports from HMIS participating service providers. The adopted policies and procedures ensure that HMIS serves the following purposes:

- Prioritize the sharing of client-level data across jurisdictions;
- Aggregate data on a regional and sub-regional basis;
- Facilitate the coordination of service delivery for homeless persons;
- Enable agencies to track referrals and services provided, report outcomes, and manage client data using accessible, user-friendly and secured technology;
- Enhance the ability of policy makers and advocates to gauge the extent of homelessness and plan services appropriately throughout the county.

Each HMIS partner is required to comply with the following:

- Designate a point-person to contact regarding project management issues;
- Ensure participating agencies and users receive Collaborative-approved training prior to obtaining system access;
- Jointly create, with the intention of adopting, HMIS policies and procedures;

- Maintain a process to hear and address issues from users under its domain;
- In situations where users operate programs in multiple Continuum of Care systems, the participants responsible for those systems agree to work jointly to address problems and concerns.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction’s consultations with housing, social service agencies and other entities

Table 2 – Agencies, groups, organizations who participated

1	Agency/Group/Organization	1736 FAMILY CRISIS CENTER
	Agency/Group/Organization Type	Services-Children Services-Victims of Domestic Violence
	What section of the Plan was addressed by Consultation?	Homeless Needs - Families with children Homelessness Needs - Unaccompanied youth Non-Homeless Special Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	This agency participated in the virtual public meetings or consultations. Anticipated outcomes include the need for continued focus on affordable housing and the prevention/reduction of homelessness by providing more shelters, services and housing units. As a result of the COVID-19 pandemic and resulting recession, areas for improved coordination include homeless supportive services and domestic violence survivor support.
2	Agency/Group/Organization	All Peoples Community Center
	Agency/Group/Organization Type	Housing Services-Children Services-Education Services-Employment
	What section of the Plan was addressed by Consultation?	Non-Homeless Special Needs

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	This agency participated in the virtual public meetings or consultations. Anticipated outcomes include the need for continued focus on affordable housing and the prevention/reduction of homelessness by providing more shelters, services and housing units. As a result of the COVID-19 pandemic and resulting recession, areas for improved coordination include homeless supportive services and domestic violence survivor support.
3	Agency/Group/Organization	Barrio Action Youth and Family Center
	Agency/Group/Organization Type	Services-Children Services-Victims of Domestic Violence Services-Education
	What section of the Plan was addressed by Consultation?	Homeless Needs - Families with children
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	This agency participated in the virtual public meetings or consultations. Anticipated outcomes include the need for continued focus on affordable housing and the prevention/reduction of homelessness by providing more shelters, services and housing units. As a result of the COVID-19 pandemic and resulting recession, areas for improved coordination include homeless supportive services and domestic violence survivor support.
4	Agency/Group/Organization	GANG ALTERNATIVE PROGRAM
	Agency/Group/Organization Type	Services-Children Services-Education Services - Victims Neighborhood Organization
	What section of the Plan was addressed by Consultation?	Homeless Needs - Families with children Homelessness Needs - Unaccompanied youth Non-Homeless Special Needs

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	This agency participated in the virtual public meetings or consultations. Anticipated outcomes include the need for continued focus on affordable housing and the prevention/reduction of homelessness by providing more shelters, services and housing units. As a result of the COVID-19 pandemic and resulting recession, areas for improved coordination include homeless supportive services and domestic violence survivor support.
5	Agency/Group/Organization	Latino Resource Organization
	Agency/Group/Organization Type	Services-Children Services-Elderly Persons Services-Health Services-Education Services-Employment
	What section of the Plan was addressed by Consultation?	Homeless Needs - Families with children Non-Homeless Special Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	This agency participated in the virtual public meetings or consultations. Anticipated outcomes include the need for continued focus on affordable housing and the prevention/reduction of homelessness by providing more shelters, services and housing units. As a result of the COVID-19 pandemic and resulting recession, areas for improved coordination include homeless supportive services and domestic violence survivor support.
6	Agency/Group/Organization	LOS ANGELES UNIFIED SCHOOL DISTRICT
	Agency/Group/Organization Type	Services-Children Services-Education Other government - Local
	What section of the Plan was addressed by Consultation?	Homeless Needs - Families with children Homelessness Needs - Unaccompanied youth Anti-poverty Strategy

	Agency/Group/Organization Type	Services-Children Services-Education Services-Employment Neighborhood Organization
	What section of the Plan was addressed by Consultation?	Homeless Needs - Families with children Non-Homeless Special Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	This agency participated in the virtual public meetings or consultations. Anticipated outcomes include the need for continued focus on affordable housing and the prevention/reduction of homelessness by providing more shelters, services and housing units. As a result of the COVID-19 pandemic and resulting recession, areas for improved coordination include homeless supportive services and domestic violence survivor support.
8	Agency/Group/Organization	P F Bresee Foundation
	Agency/Group/Organization Type	Services-Children Services-Education Services-Employment
	What section of the Plan was addressed by Consultation?	Non-Homeless Special Needs Anti-poverty Strategy

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	This agency participated in the virtual public meetings or consultations. Anticipated outcomes include the need for continued focus on affordable housing and the prevention/reduction of homelessness by providing more shelters, services and housing units. As a result of the COVID-19 pandemic and resulting recession, areas for improved coordination include homeless supportive services and domestic violence survivor support.
9	Agency/Group/Organization	The Saban Free Clinic
	Agency/Group/Organization Type	Services-Children Services-Persons with Disabilities Services-Persons with HIV/AIDS Services-Health Health Agency
	What section of the Plan was addressed by Consultation?	Homeless Needs - Families with children Non-Homeless Special Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	This agency participated in the virtual public meetings or consultations. Anticipated outcomes include the need for continued focus on affordable housing and the prevention/reduction of homelessness by providing more shelters, services and housing units. As a result of the COVID-19 pandemic and resulting recession, areas for improved coordination include homeless supportive services and domestic violence survivor support.
10	Agency/Group/Organization	The Children's Collective
	Agency/Group/Organization Type	Services-Children Services-Education Services-Employment
	What section of the Plan was addressed by Consultation?	Non-Homeless Special Needs Anti-poverty Strategy

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	This agency participated in the virtual public meetings or consultations. Anticipated outcomes include the need for continued focus on affordable housing and the prevention/reduction of homelessness by providing more shelters, services and housing units. As a result of the COVID-19 pandemic and resulting recession, areas for improved coordination include homeless supportive services and domestic violence survivor support.
11	Agency/Group/Organization	Toberman Neighborhood Center
	Agency/Group/Organization Type	Services - Housing Services-Children Services-Education
	What section of the Plan was addressed by Consultation?	Homeless Needs - Families with children Non-Homeless Special Needs Anti-poverty Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	This agency participated in the virtual public meetings or consultations. Anticipated outcomes include the need for continued focus on affordable housing and the prevention/reduction of homelessness by providing more shelters, services and housing units. As a result of the COVID-19 pandemic and resulting recession, areas for improved coordination include homeless supportive services and domestic violence survivor support.
12	Agency/Group/Organization	Volunteers of America
	Agency/Group/Organization Type	Services-Children Services-Victims of Domestic Violence Services-homeless Services-Education
	What section of the Plan was addressed by Consultation?	Homeless Needs - Families with children Anti-poverty Strategy

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	This agency participated in the virtual public meetings or consultations. Anticipated outcomes include the need for continued focus on affordable housing and the prevention/reduction of homelessness by providing more shelters, services and housing units. As a result of the COVID-19 pandemic and resulting recession, areas for improved coordination include homeless supportive services and domestic violence survivor support.
14	Agency/Group/Organization	CENTER FOR PACIFIC ASIAN FAMILY
	Agency/Group/Organization Type	Services-Victims of Domestic Violence
	What section of the Plan was addressed by Consultation?	Homeless Needs - Families with children
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	This agency participated in the virtual public meetings or consultations. Anticipated outcomes include the need for continued focus on affordable housing and the prevention/reduction of homelessness by providing more shelters, services and housing units. As a result of the COVID-19 pandemic and resulting recession, areas for improved coordination include homeless supportive services and domestic violence survivor support.
15	Agency/Group/Organization	Central City Neighborhood Partners
	Agency/Group/Organization Type	Services-Children Services-Education Services-Employment
	What section of the Plan was addressed by Consultation?	Non-Homeless Special Needs Anti-poverty Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	This agency participated in the virtual public meetings or consultations. Anticipated outcomes include the need for continued focus on affordable housing and the prevention/reduction of homelessness by providing more shelters, services and housing units. As a result of the COVID-19 pandemic and resulting recession, areas for improved coordination include homeless supportive services and domestic violence survivor support.

16	Agency/Group/Organization	Archdiocesan Youth Employment Services of Catholic Charities of Los Angeles
	Agency/Group/Organization Type	Services-Children Services-Employment
	What section of the Plan was addressed by Consultation?	Non-Homeless Special Needs Anti-poverty Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	This agency participated in the virtual public meetings or consultations. Anticipated outcomes include the need for continued focus on affordable housing and the prevention/reduction of homelessness by providing more shelters, services and housing units. As a result of the COVID-19 pandemic and resulting recession, areas for improved coordination include homeless supportive services and domestic violence survivor support.
17	Agency/Group/Organization	Commission on Community and Family Services
	Agency/Group/Organization Type	Other government - Local Civic Leaders
	What section of the Plan was addressed by Consultation?	Homeless Needs - Chronically homeless Homeless Needs - Families with children Homelessness Needs - Veterans Homelessness Needs - Unaccompanied youth Homelessness Strategy Non-Homeless Special Needs Anti-poverty Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	This agency participated in the virtual public meetings or consultations. Anticipated outcomes include the need for continued focus on affordable housing and the prevention/reduction of homelessness by providing more shelters, services and housing units. As a result of the COVID-19 pandemic and resulting recession, areas for improved coordination include homeless supportive services and domestic violence survivor support.
18	Agency/Group/Organization	Community Corporation of Santa Monica
	Agency/Group/Organization Type	Housing Service-Fair Housing

	What section of the Plan was addressed by Consultation?	Housing Need Assessment Homelessness Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	This agency participated in the virtual public meetings or consultations. Anticipated outcomes include the need for continued focus on affordable housing and the prevention/reduction of homelessness by providing more shelters, services and housing units. As a result of the COVID-19 pandemic and resulting recession, areas for improved coordination include homeless supportive services and domestic violence survivor support.
19	Agency/Group/Organization	Nickerson Gardens Resident Management Corporation
	Agency/Group/Organization Type	Services - Housing Services-Children Services-Employment Service-Fair Housing Neighborhood Organization
	What section of the Plan was addressed by Consultation?	Public Housing Needs Homelessness Strategy Anti-poverty Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	This agency participated in the virtual public meetings or consultations. Anticipated outcomes include the need for continued focus on affordable housing and the prevention/reduction of homelessness by providing more shelters, services and housing units. As a result of the COVID-19 pandemic and resulting recession, areas for improved coordination include homeless supportive services and domestic violence survivor support.

Identify any Agency Types not consulted and provide rationale for not consulting

The City reached out to all agency types for input on the Annual Action Plan.

Other local/regional/state/federal planning efforts considered when preparing the Plan

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Continuum of Care	Los Angeles Homeless Services Authority	The goals of this Plan that align with the federally-funded Los Angeles Continuum of Care are to develop affordable housing for homeless and low-income residents, to preserve existing affordable housing, and to prevent and reduce homelessness and domestic violence.
Assessment of Fair Housing	Housing + Community Investment Department	The federally-mandated Assessment of Fair Housing (AFH) was submitted to HUD in 2018, and its goals are an integral part of this Plan. Four Plan goals align with the AFH, including 1) to develop affordable housing for homeless and low-income residents, 2) to preserve existing affordable housing, 3) to prevent and reduce homelessness and domestic violence, and 6) to help low-income families to stabilize economically.
Housing Authority of Los Angeles 2022 Agency Plan	Housing Authority of the City of Los Angeles	The goals of this Plan that align with the 2022 Agency Plan for the Housing Authority of the City of Los Angeles are to develop affordable housing for homeless and low-income residents, to preserve existing affordable housing, and to stabilize and revitalize neighborhoods.

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
General Plan Housing Element 2021-2029	Department of City Planning and Los Angeles Housing Dept.	The goals of this Plan that align with the state-mandated City of Los Angeles Housing Element are to develop affordable housing for homeless and low-income residents, to preserve existing affordable housing, to stabilize and revitalize neighborhoods, and to prevent and reduce homelessness and domestic violence. The City has launched the 2021-2029 Housing Element, with a target adoption date of October 2021.
Comprehensive Homeless Strategy - 2019 Update	City Administrative Officer	Four goals of this Plan align with the regional Comprehensive Homeless Strategy, including 1) to develop affordable housing for homeless and low-income residents, 2) to preserve existing affordable housing, 3) to prevent and reduce homelessness and domestic violence, and 6) to help low-income families to stabilize economically.
Sustainable City Plan	Mayor's Office	The goals of this Plan that align with the local Sustainable City Plan are to develop affordable housing for homeless and low-income residents, to preserve existing affordable housing, and to improve the local economy for low-income residents.
Workforce Development Board Draft Annual Plan 2022	Economic & Workforce Development Department	The goals of this Plan that align with the federally-funded City of Los Angeles Workforce Development Board Draft Annual Plan 2022-2023 are to improve the local economy for low-income residents and to help low-income families to stabilize economically. The relevant goals of the Workforce Development Plan are: Reducing homelessness by increasing job opportunities. Increasing employment opportunities through partnering with major economic drivers. Increasing services to targeted high-barrier populations.
Los Angeles County Comprehensive HIV Plan 2017-21	LA County Commission on HIV & LA County Public Health	The County considers the HOPWA programs an essential part of serving Persons Living with HIV (PLWH), and the goals of developing and preserving affordable housing align with the County's Comprehensive HIV plan by creating and finding housing and services for PLWH. The 2022-26 Plan is presently being developed and will be in effect for the next program year.

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Regional Housing Needs Assessment	Southern California Association of Governments	The 6th Cycle Regional Housing Needs Assessment was adopted on March 4, 2021. The Con Plan goals that align with this plan are to develop affordable housing for homeless and low-income residents, and to preserve existing affordable housing.
Opportunity Zone Prospectus	Economic & Workforce Development Department	The Con Plan goals that align with the Opportunity Zones Prospectus are to stabilize and revitalize neighborhoods, to improve the local economy for low-income residents, and to help low-income families to stabilize economically.
2019 Inaugural Poverty Prevention Summit Report	Los Angeles Housing + Community Investment Department	The Con Plan goal that aligns with the Inaugural Poverty-Summit Report is to prevent and reduce homelessness. By bringing together a diverse array of key stakeholders to begin to examine equity and poverty, the City has taken an important step in laying the groundwork for increased partnership and coordination of efforts to meet the goal of the Con Plan. A 2022 Poverty Summit is planned that is expected to build on the discussions and recommendations from the 2019 summit.
5 Year Strategic Plan (2021-2025)	Enterprise Community Partners	The Con Plan goals that align with Enterprise's 5 Year Strategic Plan include the following: to develop affordable housing for homeless and low-income residents, and to preserve existing affordable housing, to improve the local economy for low-income residents, and to help low-income families to stabilize economically by. The City expects to continue coordinating efforts with Enterprise.

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

Due to the imposed social distancing mandates resulting from the Coronavirus (COVID-19) pandemic, the Community Investment for Families Department (CIFD) chose virtual meetings as a safe and effective way to reach many persons as it afforded the public the convenience of staying home while receiving valuable information regarding their communities. The virtual webinars/meetings were used for public participation and input for the 48th Program Year (PY 48) 2022-23 Housing and Community Development Consolidated Plan (Con Plan) and Annual Action Plan.

Dates, Times, Virtual Public Hearings/Meetings, Survey, and Number of Participants

1. 10/18/2021; 10:00 AM - 11:00 AM - Office of Council District 4 Business Resource webinar
2. 10/18/2021; 6:00 PM - 7:00 PM - Office of Council District 4 Business Resource webinar - 18 participants for both webinars
3. 10/19/2021; 5:30 PM - 6:30 PM - Fall Meeting (English Language) - 20 Participants
4. 10/20/2021; 5:30 PM - 6:30 PM - Fall Meeting (Spanish and English simulcast) - 47 Participants
5. 10/27/2021; 9:30 AM - 10:30 AM - Commission on Community and Family Services (CCFS) (Hearing)
6. 10/21 - 10/31/2021 - Digital Survey (English/Spanish Languages) - 43 Participants
7. 05/02/2022; 9:30 AM - 10:30 AM - Commission on Community and Family Services (CCFS) (Hearing)
8. 05/03/2022; 5:30 PM - 6:30 PM - Spring Meeting (Spanish and English simulcast) - 37 Participants
9. 05/04/2022; 5:30 PM - 6:30 PM - Spring Meeting (Spanish and English simulcast) - 22 Participants

There was an overall total of 187 participants.

Notifying Citizens

CIFD used a number of outreach methods to promote the virtual meetings, including: flyers, mass email notification to about 25,000 subscribers, posting on the CIFD website and social media outlets, newspaper publication, the City's Channel 35 television station, the Los Angeles County Commission on HIV website, as well as notifications to the Mayor's office, Council Districts, Commissioners on several commissions, Neighborhood Councils, community-based organizations, and other City departments.

The survey outreach method included: mass email notification to about 25,000 subscribers, posting on the CIFD website and social media outlets, as well as notifications to the Mayor's office, Commissioners on several commissions, community-based organizations, and other City departments.

Fall Meeting Format

In the Fall of 2021, CIFD hosted two virtual public meetings utilizing Zoom to gather community input on the 2022-23 Consolidated Plan/Annual Action Plan. There were English and Spanish language simulcast virtual meetings to allow for greater participation by non- and limited-English speaking persons. The meetings were held October 19th and 20th in the evenings from 5:00 PM to 6:30 PM. There were a total of 67 attendees from both virtual meetings, with 20 participants from the October 19th meeting and 47 at the October 20th meeting respectively. Additionally, there were presentations on Affordable Housing and Homeless Programs and Services to inform the public how the City of Los Angeles was addressing these concerns. Also, there were two virtual consultation meetings provided through a business resource webinar and commission hearing which were held on October 18th and October 27th, respectively. Telephone access for the commission hearing was available to the public. There were a total of 18 participants from both of these hearings.

The meetings included a presentation describing the Con Plan; the Con Plan goals; examples of the programs and projects that have been funded; how funding was budgeted for the current year; the estimated grant funding for PY 48; and the additional CARES Act funding and its proposed uses to assist Angelenos during the COVID-19 pandemic. Throughout the presentation the audience participated through answering interactive poll questions and by submitting comments and questions. Questions and comments were addressed during the meeting, and opportunities for continued comments and questions were made available via email to CIFD.

From the questions and feedback, the trend indicated developing affordable housing, and prevent and reduce homelessness/domestic violence was the most important of the goals presented. From the effects of the COVID-19 pandemic, most participants indicated they were impacted by loss of employment and/or felt loneliness or experienced health concerns. The responses also indicated the top priorities for funding towards social services/to help people recover from the COVID-19 recession/economic opportunities, affordable housing, and neighborhood facilities improvements.

Spring Meeting Format

Utilizing Zoom, the City through CIFD hosted two virtual public meetings in the Spring of 2022. They were held on May 3, 2022 and May 4, 2022, both meetings were simulcast in English and Spanish language to allow for greater participation by non- and limited-English speaking persons. Live interpretation was available at both meetings to facilitate participation by both English- and non- and limited -English speaking persons. Both meetings were held in the evening from 5:30 PM to 6:30 PM. There were approximately 59 participants from both virtual meetings, with 37 participants from the May 3, 2022 meeting and 22 participants from the May 4, 2022 meeting.

The public engagement presentation mirrored the Fall meeting format. However, the Mayor's proposed Annual Action Plan budget was presented in lieu of the Affordable Housing and Homeless Program presentations. The overall trend indicated respondents "Somewhat Agree" with the proposed investments to the Annual Action Plan budget. Top priorities indicated the prevention and reduction of homelessness/domestic violence, with 33% of respondents mentioning this. Other concerns were the development of affordable housing.

Technical challenges from the virtual meetings in maintaining high participation prompted a series of interactive poll questions.

Impact on Goal-Setting

The impact of homelessness and the need for affordable housing is of great concern for lower- and moderate-income Angelenos. Also, the need to address domestic violence, provide public safety with more street lighting were also of concern. Furthermore, the impact of the COVID-19 pandemic and resulting recession has led to other concerns and priorities outside of the Consolidated Plan such as virtual learning challenges.

Overall the impact on goal setting from the public meetings, hearings, and survey responses supports the 2022-23 Con Plan/Annual Action Plan, as it closely aligns with the expressed interests of the public. More than 75% of the grant fund budget is allocated to address affordable housing and homeless prevention, neighborhood improvements, and social services.
